- Retirement
- Early retirement due to permanent disability or ill health**

Supporting documents required:

- Declaration by employer to consider the disability claim.
- A medical certificate completed by a medical doctor whom is currently or has treated the investor (at the cost of the investor).
- A copy of the accident report if disability has been caused by an accident.

**Please note that an investor may only request an early retirement benefit (i.e. before the investor has reached age 55) due to permanent disablement. The investor may make such a request when the investor is permanently disabled due to injury or illness, which in the opinion of the Trustees of the fund and based on medical evidence, renders the investor permanently incapable of satisfactorily performing his/her occupation or any other occupation which the investor is qualified for, by virtue of his/her training experience.
